

CALVERT

Employee Owned

Now with over 100 Fraco Units, Masonry Trade Access Solutions are made easy by utilizing Calvert for your most complex projects in the Mid-Atlantic Region

We can fill all your scaffolding needs with an emphasis on mast climbers and heavy duty swing stage installation. We can take on even the most difficult of scaffolding jobs.

With over 25 years of premier commercial masonry work, Calvert has built an exceptional team of scaffold installers. We are offering our top notch experience to make your projects more efficient than ever. In addition to our install services, we are equipped to provide pedestrian overhead protection, engineered layout drawings and load distribution solutions.

We are ready to be your scaffolding vendor of choice and look forward to hearing from you soon.

Call Mike at 703-928-0688 or email mkulp@calvertmasonry.com
